Treasurer's report: Club Account combined total:

2-meter Ares Net Report for June 2017: Sessions-4/QNI-24 /QTC-0 Good Job Linda KF4MXF !

Old Business:

LARC July meeting/BBQ -

Dale provided tours of his shack.

Dale and Bill set up and tested the 43 foot vertical donated by John, WB9LCY, and an MFJ high power external tuner for use on upcoming DXpeditions. The test was a success.

Dale's son gave a demonstration of using a camera drone for inspecting towers and antennas. That was impressive. He followed up by flying the drone out around the region showing aerial shots of the terrain.

The evening was very pleasant for sitting on the porch while enjoying hot dogs, hamburgers, and good company. No world problems were solved but many enjoyable radio stories were exchanged.

Gary renewed the K0LH FCC club license;
registered the Biannual Missouri club non-profit;
paid the Club repeater equipment. ;
and provided this month's minutes information

Thank-you gentlemen for all your hard work.

New Business:

* **HAM TALK-** misc.

**Net control: Remember the 2-meter LARC ARES net is held every Tuesday evening at
0100 Z (7P.M. CST/8 P.M.CDT)**
