

## LARC Meeting Minutes-June 4, 2018

**President: Dale K1USA**

**Vice President: Bernie WY0Q**

**Treasurer: Gary N0GW**

**Secretary: Greg WX0E**

The March 2018 Lebanon Amateur Radio Club meeting was held at Dowds Catfish and BBQ Restaurant.

Those attending were: Greg Tyre WX0E, Al Franke N7ZB, Marcia Franke KC7WCP, Bill Wheeler K0DEW, Dale Pruitt K1USA, Jim Edmond KD0PLW and Gary Wescom N0GW.

**Treasurer's Report:** Club account combined total: \$5,927.85 50/50-\$88

### Old Business:

- Greg Tyre WX0E did the June Program with his homemade robot Robbie 3.0

### New Business:

- If anyone has an idea for a club program please contact one of the club officers.
- The Club voted to pay for the new 440 Repeater installed at the HD Water Tower. 444.55 Plus 5 MHZ, Tone 88.5. The amount was \$1,030. The club also voted to purchase a new antenna for the amount of \$157. Everyone thought this would be a great backup repeater especially for the Lebanon area due to the fact the handhelds will get into the repeater so well. Gary N0GW installed the repeater and has remote control to turn or turn off the new repeater. Sometime in the future the new antenna will be installed as the old one has a little too high of SWR.
- Since the Conway repeater has very little use the club voted to give the repeater and site to the Nixa Club which will use it as a DMR Repeater to start.

### Hamfest:

- Cedar Rapids, Iowa-2018 ARRL Midwest Convention August 4-5.
- August 24-25 Joplin, Missouri

### Net Controls for the 2-Meter LARC/ARES net held every Tuesday evening at 0100Z (7 P.M. CST/8 P.M. CDT)
