### Old Business:

- **Route 66 Special Event- Sept. 12-20.** Lebanon holds the W6O Special Event call sign. Bill Wheeler, K0DEW, is in charge. Bill has posted information about this event on the club's YAHOOGROUPS website. Next meeting we will start sending out the special QSL cards for this event. For more information, contact Bill.
- \* **K5run- October 10**, at the Winfrey property on the north side of Lebanon. they would like the club members to have two or three stations set up along the route for safety reasons. The run is through a wooded area with multiple obstacles. This would be a good opportunity to get some of the new hams involved in a net and practical exercise. For more information, contact Jeff or David.

### New Business:

\* Bill Wheeler K0DEW proposed that the seed money from the LARC coffers to help another HAM club set up for a convention be with-drawn. He proposed instead, that the LARC club set aside a donation of \$500 to Carole Perry, WB2MGP, for her work with youth forums to promote interest in amateur radio . Let Ron K4SW and Bob Heil K9EID know what's going on. The motion of these proposals passed.

\* Earlier this year, Gary N0GW replaced Mike Edwards as the trustee for LARC's Repeaters. A form for this transfer has now been filled out and filed so that Gary can communicate directly with the Repeater Council.

\*Mike WB0O asks for participants during the **Oct. 16-18** for the International Jamboree on the Air Boy Scout event at the Muzzle Loader Club in Dixon. For more information, contact Mike.

\* Linda reports that at the Joplin HAMFEST,ARRL rep Dale Bagely K0KY, mentioned that the ARRL membership dues will increase Jan. 2016 and a person could extend their membership now at 2015 rates before the increase. For more information, contact Dale Bagely.
